

WOLFSON COLLEGE TRAVEL/RESEARCH GRANT
or
VACATION PROJECT GRANT

WOLFSON COLLEGE CAMBRIDGE

Guidelines for applying:

Read the notes to see if you are eligible to apply. Talk to your Tutor about your trip and ask them to support you. If your Tutor thinks your trip is likely to be supported, ask your Supervisor or Director of Studies to email a short reference in support of your application to studentfinance@wolfson.cam.ac.uk

You should present all the information clearly, so that a decision can be made without delay. Give a full realistic budget to show the total costs and describe how you will fund the trip if the Wolfson grant does not cover it all.

Return this form to the Student Finance Officer, preferably at least two months before you plan to travel, or earlier, if long-distance flights need to be booked.

**IF YOU RECEIVE A TRAVEL GRANT FROM WOLFSON COLLEGE FOR A CONFERENCE PRESENTATION
