

Wolfson College  
Cambridge

# Wolfson Welcomes the World

Development & Alumni Relations

# Welcome to Wolfson

“We have strong ties across the world. I am committed to continuing the close and beneficial relationships we have forged with students, alumni and benefactors.”

Professor Jane Clarke, President

# Wolfson Today

**Wolfson College** invites outstanding academics and students from all over the world to join its international, egalitarian and inclusive community of scholars.

Our core values of academic excellence, diversity and restless curiosity underpin all our education, teaching and research. Our diversity helps foster new perspectives and new insights in every field of scholarship.

Wolfson offers excellent teaching through a cohort of outstanding supervisors and Directors of Studies, who have the skills and experience to support students from diverse cultural and professional backgrounds. We value our strong links with our world-wide community of alumni, members and supporters.

# Wolfson by Numbers

**526** Full-time students

**180** Mature undergraduate

**346** Postgraduate

**254** Part-time Master's and PhD students

The average age of a Wolfson student is **25**, but ages range from **21 to 85**

Nearly **90** countries are represented in our student body

We have over **10,000** contactable alumni

**58%** of our alumni live outside the UK in **159** countries and territories

Our supporters' generosity enabled us to offer more than **£750,000** in student support in 2017/2018

\*Student numbers as of 1 Dec 2018

# Our Vision for the Future

- 1** We aim to be the College of choice for world-class academics, mature students and returning learners from around the globe.
- 2** We will deliver excellence in teaching and support, allowing every member of the College to realise their full potential.
- 3** We aim to offer scholarships to ensure that no excellent students are denied the opportunity to study at Wolfson through lack of funds.
- 4** We will develop our campus so that we can deliver the best environment for education, learning and research.
- 5** We will offer a vibrant cultural and sporting life, enriched by the range of experiences of our members.
- 6** We will strengthen our alumni and supporter networks through innovative outreach and distinctive external activities in the areas of research, entrepreneurship and innovation.

# Supporting Us

To help realise our vision for the future, we are embarking on a major new advocacy and fundraising campaign. You can help in many ways, for example:

- **Spread the word.** Be an ambassador for Wolfson in your local community, your university and across your professional and academic networks. Tell people about our vision and how Wolfson makes a difference.
- **Recruit.** Help us identify postgraduate and mature undergraduate candidates with the potential for excellence. Encourage them to apply to Wolfson.
- **Become a mentor.** Give back to students and alumni through career guidance and building connections.
