

ADDING TERM TIME ADDRESS ON CAMSIS:

Go to your 'Personal Data' by clicking on www.camsis.cam.ac.uk/students

Go to 'Addresses' and choose 'Term Time Address'.

This is where you live during the University Term and must be updated with current information. *Please note that the 'Home Address' is your usual family address and usually, not the same as the address in Cambridge.*

The screenshot shows the 'Personal' page in the CamSIS system. The left sidebar contains navigation options: Personal details, Contact details, Addresses (highlighted), Emails and phones, Manage @cam email address, Emergency contacts, Awards and bursaries, and Useful information. The main content area is titled 'Addresses' and includes sections for Home Address, Mailing Address, Term Time Address, and First Destination Address. A blue callout box with a list of bullet points explains the different address types. Another blue callout box points to the 'Add' button for Term Time Address, stating that users can add, amend, or delete addresses here. The Term Time Address section currently shows 'No address defined' and an 'Add Term Time Address' button. The First Destination Address section shows a table with one entry.
